

South Central Christian Men's Evangelistic Fellowship

Board Meeting Minutes for September 11, 2017

at Houston

Present: Barry, Jon, Johnny, Chester, Rick, Don

Don opened with prayer.

Talked about finances.

Preston Ellis has received his check.

We are currently not under contract to fund any organizations, but we do support Campus house.

Don received a report from MOVE. They are working on a church plant in Dexter, MO.

Discussed how to generate interest in The Men's Fellowship. Are we or could we be considered a "Mission Agency"? This could help generate income towards the church plant, as churches might be more willing to support a mission.

Chester suggested we send financial report to each church monthly, and state we are starting to build another church plant fund.

Motion by Johnny, seconded by Rick to start church plant fund back up and put \$2000 seed money in it, along with the monthly offering from the general meeting. Motion passed.

We decided the financial report is to indicate total monies received from churches and not list individual church amounts. Also the minutes from

the general meeting will reflect the total attendance, and not list each church.

We discussed doing away with the banner – it is a carry-over from the 50's. At the next general meeting the members will be asked.

We discussed a “matching funds” type program for the church plant in Dexter.

Rick closed in prayer.
