We still need a treasurer.

We need to figure out how to make golf tournament more popular & profitable.

We need to figure out how to make Men's Fellowship meetings more attractive to young men.

Motion by Jon to send a letter to all member churches to encourage them to get a "draw" for meetings other than a sermon to increase attendance, and to ask their speakers, artists, or presenters to limit their presentation to preferably 30 minutes, but up to 45 minutes. Motion seconded by Johnny, motion passed.

The secretary will prepare a draft such a letter and send it out.
